In 1998 the San Bernardino County Sheriff's Department secured a federal (COPSMORE '98) grant for \$16 million. This grant pays for the salaries of personnel assigned to the Technical Services Division. During the course of this grant, the salaries of these employees will be moved from grant allocated funds to the general fund costs. The transfer of these positions to general fund costs was agreed upon during the grant application and acceptance process. At the end of the grant, all positions will become part of the general fund costs. In 2002-03 the county agreed to pick up 50% of the cost for the positions listed below. Funding is required for the remaining 50% for 2003-04.
